

***Be Smart, Be Profitable, Be Green !!!***

***Join us at the Be Smart Training Programs Information Session on 25February 2010!***

The current economic, social and environmental conditions, dictate that we need to Be Smarter in the way we manage our business, our resources, our people and our lives. To help you "Be Smarter" we have devised a series of training programs targeted at making your business successful in 2010!

***Meet and listen to dynamic individuals who have created positive training programs for your success in 2010!***

- **George Hatzimihalis** – MD of **The Hatlar Group** & Environmental expert who will provide an insight on how looking after the environment can make good business sense!
- **Bill Dennis** – **Connecting People Associate** & Tender writing expert will showcase on how small and medium size businesses can access and be successful in the tender process!
- **Wilfred Kwok**..... **Corporate Wellbeing Trainer** will highlight on Health & Wellbeing programs for staff work life balance.
- **Jon Brenton** – **Director of Australian NLP Centre**, NLP Master and Change Management Professional presents on how we can change our thoughts and reprogram for success
- **Kathy Foo-Clegg** - **Connecting People Associate Director** & Hospitality and Tourism expert will showcase Connecting People services, add value to your business, save travel costs and offer benefits to your staff.

This information session on our training program for the year will provide both inspiration and practical solutions to running a successful and profitable business.
